

TO LEAD SPECIAL SERVICE

Roy and Marjorie Greusendorf (above) will appear at the Torrance Foursquare Gospel church next Sunday evening at 7:30 o'clock in a special musical and evangelistic service. They will play the electric guitar and piano accordion and Mrs. Greusendorf, evangelist, will speak. They will be accompanied by the "Royal Guard" male quartet which toured the U. S. last Summer. On Friday evening, May 1, the "Tater Family" will appear at the church in a special service at 7:30 o'clock.

To Lead Crusade

REV. PHIL TAYLOR

Marking a return engagement of Phil Taylor, evangelist and singer, a "spiritual recovery crusade" will be conducted at the first Baptist church May 3 to 25. Motion pictures will be screened every night except Saturday together with inspiring song services. Evangelist Taylor will speak Sunday morning on "Three Dots and a Dash" and Sunday evening at 7:30 o'clock on "Why Call an Evangelist?"

New Murray Hotel Now Open to Guests

After several unavoidable delays, the new Murray Hotel (formerly the Ervin Hotel) at 210 El Prado is now open to guests. The new building is a modern structure with all the latest in hotel accommodations. It is a combination of two Greek words, "safar off" and "graph," to "write" or "literally, to write after off."

Rev. Porter Denied Visitors

Rev. Frank T. Porter, pastor of the First Christian church, is not allowed visitors at Torrance Memorial hospital where he was taken Tuesday. He has been confined with a serious heart ailment for the past two weeks, but his friends are invited to write to him.

The popular pastor, who has a great many friends in this community, was stricken Sunday morning, April 5, as he stepped down from the pulpit after delivering one of his fine sermons.

His wife and son, Merrill, this week expressed their thanks to all who called to wish Rev. Porter an early recovery. "Because of their helpfulness and generosity we believe the interest shown by other churches, organizations and people is contributing to Mr. Porter's good spirits. He, too, appreciates their kindness," Mrs. Porter said.

More Civilian Firemen Needed

Another class to train auxiliary firemen and rescue squads will be opened May 6 by the Torrance fire department. Fire Chief J. W. McMaster said today and he particularly stressed the need for attendance by residents of the outlying districts of the city such as Waltham, Hollywood Riviera, North and South Torrance.

"Able-bodied men in those districts should join this class for no other reason than to protect their own property," McMaster pointed out. "In event of an emergency the regular fire department will not be able to respond to every call so it behooves the local men to take an interest in fire protection work."

The present class of auxiliary firemen will continue training under direction of Capt. J. J. Jenner, who said this week that this group has shown keen interest in the work to date. After the regular training is completed, periodic "rush-up" sessions will be held to continue the auxiliary's course.

Rescue of persons trapped amidst falling debris or overcome by gas will be stressed in the course that will be given those who volunteer for rescue work. All lessons are approved by the Office of Civilian Defense instruction.

Now arrivals-of-the-week at Torrance Memorial hospital were:

LEE THOMPSON KIMBALL... was born to Mr. and Mrs. Wayne T. Kimball, Hermosa Beach, April 27 at 3:28 a. m. He weighed 7 pounds 13 ounces. His father is a baker in the U. S. Navy who saw active service at Pearl Harbor on fateful Dec. 7 and afterwards was stationed in other parts of the Far Eastern war zone. He returned home just in time to greet his son. Mrs. Kimball is head cashier of the J. C. Penney store in Hermosa Beach.

LOYDENE FAITH OSBURN... was greeted by Mr. and Mrs. Loyd Osburn, Long Beach, April 20. She weighed 6 pounds 13 ounces and has a two-year-old sister, Terry Kay. Her father is an oil worker at Signal Hill and her mother is the former Kay Stinebaker.

WILLIAM DOUGLAS OWINGS... was welcomed by Mr. and Mrs. Richard Owens, Manhattan Beach, April 23 at 7 p. m. He weighed 8 pounds 6 ounces and has a brother, Donald. His father is an accountant at the Ford plant in Long Beach and his mother is the former Vera Le May.

Casualty Clearing Class Meets Fridays

Training sessions for Casualty Clearing Station work will be conducted for the Cross First Aid Detachments every Friday night from 7 to 10 o'clock in the city hall. The class starts tomorrow, Monday, May 4, at 7 p. m. at the city hall. The instructor, who has had special instruction in this work, is the director. All Casualty Station volunteers are urged to attend these meetings. Starting next Thursday, May 7, a class in standard (beginners) Red Cross first aid work will be held at the city hall from 8 a. m. to 12 o'clock noon with Polts as instructor.

Another standard first aid class will be started for either Tuesday or Wednesday nights, 7 to 10 o'clock, as soon as enough register for it. For enrollment or information call 1524 or 850.

Women's Corps to End Recruiting Drive Saturday

With a large number already recruited here, the Women's Auxiliary Defense Corps of America, South Bay unit, will continue to enlist members tomorrow and Saturday in front of the A & P Food Market on El Prado. New members have been instructed to report Monday and Thursday nights from 7:30 to 9:30 at headquarters, 115 South El Paseo, Redondo Beach, for military drill.

If 50 or more local women join, a Torrance company will be formed. Until primary training is completed, new members will work under direction of the 4th Battalion, Redondo Beach. All members have mobilization points and operate under C.D. regulations during emergencies. Mrs. J. C. Merriam is serving as information clerk and she may be reached at phone 342.

Public School Week Observed Without Elaborate Programs

Observance of Public School Week was being closed today without the elaborate evening programs of yesteryears on account of the war. All schools held open house and some had special demonstrations by various rooms. At the high school a four-

feature entertainment was presented today. Home economics girls modeled a spring fashion show of unusual interest, the uniformed band and choir performed, the electronic club dramatized a skit on the production of sound and the gym class tumblers cavorted. An informal reception in the foyer of the assembly hall followed. Dr. O. E. Fossum was chairman of the program.

CHURCH BROADCAST

The Columbia Church of the Air on Sunday morning, May 3, will be conducted by Clarence W. Allen, in Detroit, under the auspices of the Christian Science Committee on Publication for the State of Michigan. The program will be released over Station KNX at 10 o'clock.

Trincomalee, Ceylon, is little more than a village, but it contains one of the six greatest natural harbors in the world.
